# About Us

## INNOVATION, IMPROVEMENT & INVESTMENT – 3I'S OF MULTI TECHNOLOGIES FZE

Established in 1997, by our Founder and Managing Director Mr. KJ Singh has provided the company with the core belief of quality and customer service is the most important factor.

Using the latest technologies and methods Multi Technologies (MTI) FZE has been able to deliver 1,300+ molds since our establishment.

With new machines ranging from CNC Milling, CNC Lathe, CNC EDM Spark Erosion, CNC Wirecut, 3D Printing, etc we are able to deliver exactly what is needed for our customers.

### WHO WE ARE

---

With a highly experienced team we are able to address any concern that is present in an efficient manner. With an accumulative experience pool greater than 100 years all problems can be resolved.

### WHAT WE DO

---

MTI FZE engages the client with a project team to gather requirements, understand the needs / problems a client is facing and provide a turnkey solution.

# Our Services

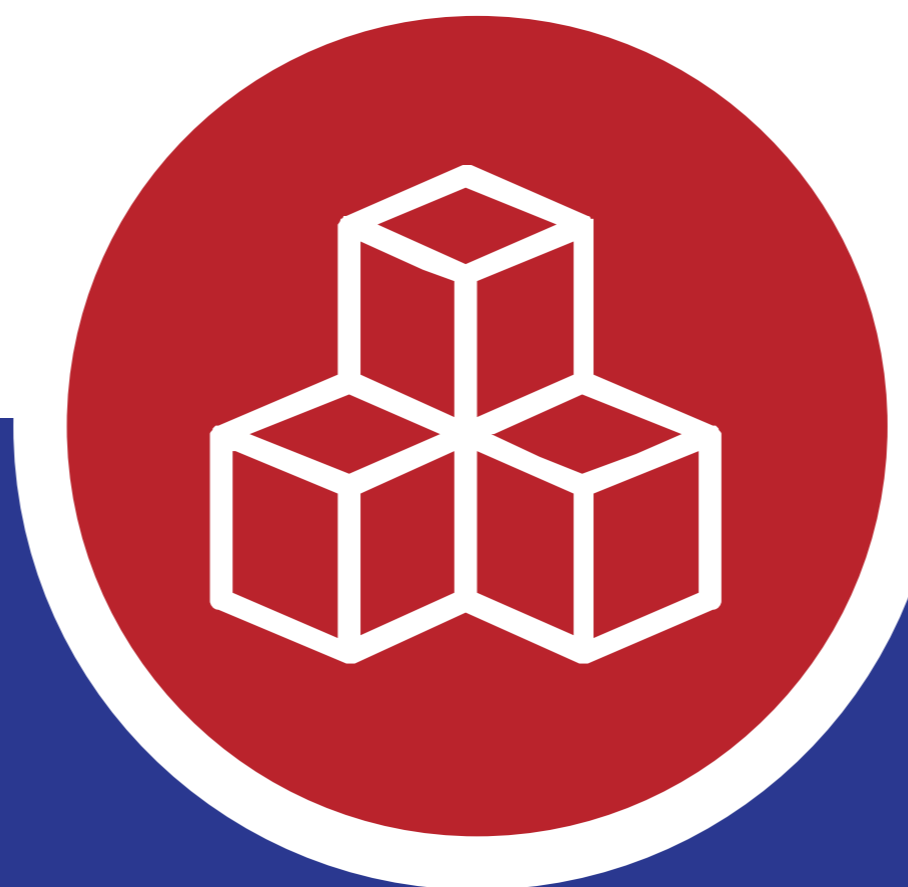

---

**WE SPECIALISE IN PROVIDING OUR SERVICES IN MULTIPLE MATERIALS SUCH AS PLASTIC, RUBBER, POLYMERS, CARBON STEEL, STAINLESS STEEL, ETC TO A VARIETY OF DIFFERENT INDUSTRIES. EXAMPLES OF SUCH INDUSTRIES INCLUDE AVIATION, OIL & GAS, AUTOMOTIVE, DEFENCE, AND MANY MORE MULTIPLE INDUSTRIES.**

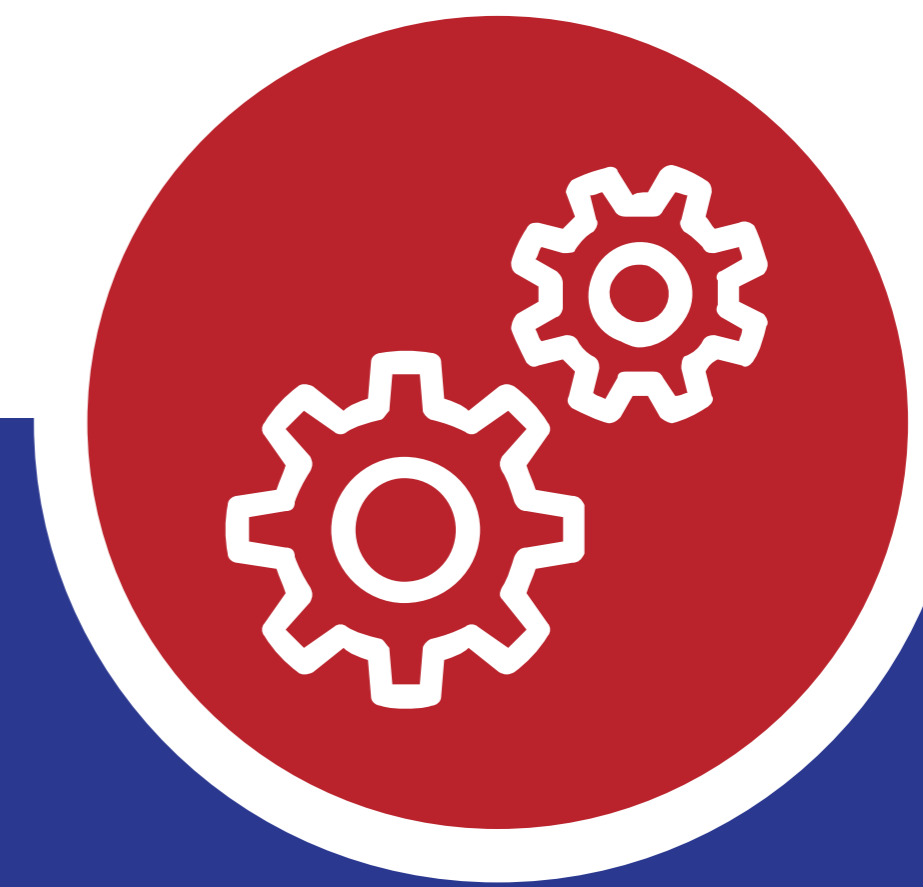

## CONCEPT DESIGN

The most critical path in any project is gathering customer requirements. Using our specialised methodology we are able to understand all the important factors early in the project phase to ensure a successful and timely delivery.

## 3D MODELLING & PROTOTYPING

With specialised programs we are able to generate 3D models and 2D dimensional drawings. Once the models have been accepted by the client we proceed to the prototype stage which may include 3D printing of the sample.

## MANUFACTURING

Leading CAD/CAM software is used for programming our machines for the finalised 3D models. With this we can ensure the dimensions and tolerances are maintained respectively to the final product as per customer approval.

# Portfolio

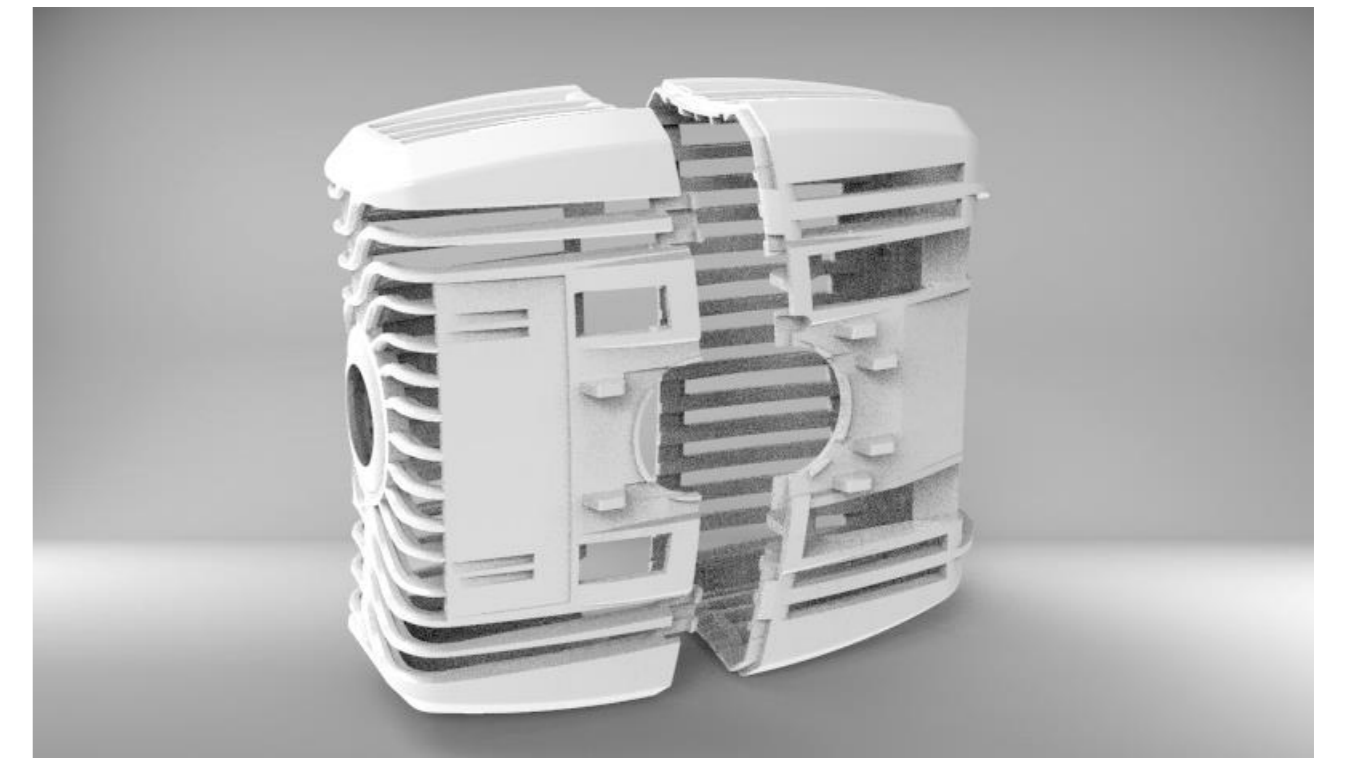

Customised cap

Customized clothing shelf  
done for Virgin Megastore

Room Fragrance  
Dispenser
